

Flu Vaccines

Take advantage of this \$0 copay program today

We are pleased to announce that your plan has elected to cover Flu Vaccines at a \$0 copay for you, as long as they are processed using your prescription benefit card at one of our participating flu network retail pharmacies

Get Started Today

To take advantage of this \$0 copay program, talk to your physician to determine whether flu vaccines are right for you. Then please follow these three easy steps:

1. Visit a participating pharmacy
 - Call the pharmacy before to ensure they have the vaccine on hand
2. Present your Prescription Benefit Card
3. Pharmacist administers vaccine

To determine where you can obtain your free flu shot, please contact Magellan Rx Management at 800.424.0472.
