Dear Members,

We are pleased to inform you, beginning January 1, 2024, General Vision Services (GVS) will be our vision care provider. GVS will provide a quality vision plan to all active members and their eligible dependents.

The GVS plan covers a comprehensive vision care examination, including dilation, when professionally indicated. The program offers eyewear (eyeglasses or contact lenses) with covered in full options. The GVS frame collection will be offered at most in-network locations in the greater NY area, and you can receive a plan frame at no charge with approximately 200 frames to choose from. A \$130 allowance applies toward frames or contact lenses that are not in the collection and at provider locations outside the greater New York area.

Your choice of Single Vision, Bifocal or Trifocal lenses is included in the plan, along with lens options such as Scratch Resistant and Ultraviolet (UV) coating. In lieu of eyeglasses, you are eligible for up to a six-month supply of disposable contact lenses (2 weeks or planned replacement).

GVS locations are conveniently located in malls and major shopping centers providing expanded hours of coverage, 7 days a week.

General Vision Services (GVS)	Lens Lab Express
Cohen's Fashion Optical	Exclusive Independent Store Locations
Sterling Optical	America's Best

To access your benefit as of January 1st, simply go to the GVS website at www.generalvision.com or download the GVS Mobile App and enter your benefit number **6063**. Here, you will be able to view your optical plan and locate providers. Use the zip code locate feature to find a participating provider or you may call GVS at 800-VISION-1 to have your questions answered. Out-of-network benefits are available and a claim form can be obtained by calling GVS.

If you have any questions, please don't hesitate to call GVS at 800-VISION-1.

Sincerely,

Jeanna Talamo
